1 PUBLIC FORUM

There was no Public Forum.

1A MAYOR AND CHIEF EXECUTIVE DISCUSSION

The Chair welcomed Mayor Aaron Hawkins and Sandy Graham (Chief Executive Officer) to the meeting and acknowledged and thanked them for the work currently being undertaken in the northern area.

The Mayor discussed the changes in local government with the Three Waters Reform and Resource Management Reform and spoke of the 10 year plan process and community consultation. He commented on the impact of COVID-19 on the community and advised that even at level one, there were still residents who did not feel safe in the current environment which reinforced the challenges and ongoing work for the continuation of building stronger communities. The Mayor spoke of the value of the Board in these situations and thanked them for the support they provided the community.

The Chief Executive Officer (Sandy Graham) spoke on the 10 year plan and advised that staff would discuss consultation events to be held in the local community with the Board. She commented that staff with the knowledge of issues in the Board area would be involved in the consultation and that Smooth Hill would feature in the consultation document.

In response to a question on the Representation Review, Ms Graham advised that a panel had been appointed and that they would meet with community boards as part of the process.

There was a discussion on the provision of social housing in the Brighton area with members noting that the only current option for elderly was to move outside the area. Ms Graham advised that social housing had been included in the 10 year plan and under the 2GP there had been some sites identified and that a map of identified sites in the Brighton area would be circulated to members.

2 APOLOGIES

There were no apologies.

PART A REPORTS

6 GOVERNANCE SUPPORT OFFICER'S REPORT

A report from Civic provided updates on activities relevant to the Board's area which included:

- a) Project Fund;
- b) Retrospective approval for the purchase of a hamper for the family of the late Clare Rutter;
- c) Meeting Schedule for 2021;
- d) Community Board Conference – Paul Weir advised that he would be interested in attending the conference;
- e) Community Boards Outstanding Awards Nominations;
- f) Parks and Reserves Updates;

Freedom camping Brighton:

Dogs on Brighton Beach – there had been a significant increase in the number of nesting penguins at the beach and the Board raised concern that dogs were present despite signage banning to the contrary and requested enforcement be undertaken.

Portaloos – in response to a query on the scheduled maintenance of the portaloos, Mr MacLean advised that it had remained the same as in previous years however it be reviewed as the impact border closures had on freedom camping was better understood.

Tunnel Beach

- g) Three Waters Updates;

Ocean View Drainage - The Board requested an update on work planned for the Ocean View culvert noting that there had been another flood during recent heavy rain events.

h) Waste and Environmental Solutions Update

Westwood Sewerage smell – the Board expressed their gratitude for the work of staff and commented that they would like an update on whether any complaints had been received following installation of the non-return valve.

i) Consultations – it was noted that the Review of Keeping of Animals (excluding Dogs) and Birds Bylaw; the Gambling and TAB Venue Policy Review and the Dangerous and Insanitary Buildings Policy Review were currently being consulted on.

Moved (Keith McFadyen/Christina McBratney):

That the Board:

Approves retrospectively the purchase of a hamper for the family of the late Clare Rutter.

Motion carried (SHCB/2021/001)

Moved (Scott Weatherall/Keith McFadyen):

That the Board:

- a) **Approves** Paul Weir as the Community Board representative to attend the 2021 New Zealand Community Boards' Conference.

- a) Keep Dunedin Beautiful
- b) Coastal Dune Regeneration Programme – The Chair advised that he was due to meet with affected parties.
- c) Waldronville Food Forest
- d) Community Response Plan
- e) Kaikorai Estuary Car Park – The extension of the car park was completed and had been well received by the community. In response to a query whether a walkway to the beach could be established which would enable access for people with disabilities, Mr MacLean advised that the Tracks and Trails strategy was being drafted, it would then go out for consultation, which the Board could submit on. Disability access groups had been consulted on the strategy which, once finalised, would determine investment in tracks at a strategic level.
- f) Chain Hills Cycle Tunnel – A business case short list workshop would be held on 3 March 2021.

- g) Brighton Road Laybys – Following an onsite meeting, staff would close relevant laybys and work with Fulton Hogan to tidy up the ones identified to remain open.
- h) Green Island – Waldronville Walkway/Cycleway – the Board commented on the safety issues previously raised with the Green Island – Waldronville walkway/cycleway and requested an update on installation of demarcation structures.

Moved (Scott Weatherall/Paul Weir):

That the Board:

Notes the Board updates.

Motion carried

2021 Representation Review

- 5 The Representation Review panel has been appointed. Over the next month or so they will be meeting with Councillors and Community Boards to get initial thoughts on current and future representation.
- 6 A survey is also being finalised which will be available on line and in paper for the public to complete. Members of the panel will also attend various events across the city to obtain feedback to help inform their initial proposal which is likely to be presented to Council on 30 June 2021.

10 year plan consultation

- 7 The 10 year plan consultation period will be held between Tuesday 23 March and Thursday 29 April 2021 with consultations held throughout the community. There are two consultation dates in the Saddle Hill Community Board area; Friday 23 April and Saturday 24 April 2021. They will be held at the Brighton Surf Life Saving Clubrooms with staff and Councillors available on Saturday 24 April between 9.00 am and 11.00 am. It is hoped that Board members will man the stand on Friday 23 April with the time to be determined.

ACTIONS/UPDATES

3 Waters Update

- 8 Coastal Erosion
The Dunedin district-wide coastal hazard screening is being jointly led by the Dunedin City Council and Otago Regional Council.

The screening will evaluate at a high-level the extent of coastal hazards, where these hazards are located (in relation to infrastructure and communities now and with expected land use changes), and how exposure to these hazards might change through time (climate change/ sea level rise). This screening shall identify priority areas (areas of greatest risk) that require more detailed natural hazard and risk assessment and will also identify data and additional monitoring requirements.

The screening will serve as the basis to direct future works and planning and support the management of coastal areas.

We expect the coastal hazard screening to be completed by the start of July 2021.

Parks and Recreation Services Update

- 9 Dogs on Brighton Beaches
 The Brighton Beach no dog areas are regularly monitored but it is a case of being in the right area at the right time. The presence around Brighton will be increased to help with the issue.

Transport Update

- 10 Brighton Road Pedestrian Walkway Demarcation
 In response to a request for an update on the proposed Brighton Road pedestrian walkway demarcation, staff have advised that initially it was proposed that concrete blocks from the peninsula project were to be installed however they were not replaced therefore no longer available.

Additional edge marker posts were installed as a trial but after several attempts of keeping them in place, it was decided that it was not feasible because of the constant damage. There were red cat's eyes installed along the edge of Brighton Road.

Staff had proposed a speed reduction from 80kmh to 60kmh however this was not supported by the board and was not implemented.

Board members (or members of the public) wishing to advise Council of any operational issues or concerns, e.g. potholes, burst pipes, overgrown vegetation etc are reminded to ring the DCC Customer Services Agency on 03 477-4000, or email on dcc@dcc.govt.nz. For non-urgent matters contact council via the online "Fix it form" <https://www.dunedin.govt.nz/do-it-online/report/fix-it-form>

If issues and concerns are not dealt with in a timely manner, Board members should contact either the Governance Support Officer or the Senior Staff Member appointed to the Board.

10th of March 2021

Dear Ms Sandy Graham and Mayor Hawkins

Saddle Hill Community Board 10 year plan submission

Firstly, thank you both for what you and the staff are doing for our City at this moment, it is a very challenging and dynamic environment for all.

As with last year we continue to have the fear of the unknown in regards to uncertainty for a lot of people in regard to employment/ business viability etc due to the global pandemic that Covid 19 has brought.

I acknowledge on behalf of our Communities our gratitude and thanks for what you and the whole DCC Team are doing, it is appreciated.

We are really pleased to see a couple of projects completed in the past few months that have been on our work plan for some time.

The pedestrian safety programme on Blackhead Road is just wonderful and also the extension of the carpark at the Kaikorai Estuary is a great additional benefit to our communities. Thank You

Our priorities moving forwards remain similar to previous years:

A well thought out and planned City Waste and Recycling Programme
(Connection to the Social Wellbeing Strategy)

A significant consideration for our communities in this area and we ask the City to seriously consider where is it that they want to dispose of their waste moving forwards?

Is it really at a site that sits at the top of a hill and feeds into a hugely popular recreational river that holds significance to our communities that exits onto one of Otago's most beautiful and popular swimming and surfing beaches?

Is it one that will occupy a site that local iwi has identified sites of cultural significance?

Is it a site that is the home to the rare native falcon?

Is it a site that will literally ruin the local community's access to the local forestry that is currently recreated for hunting, horse riding, walking, running and mountain biking?

We have pleaded with you all and will once again – please take a pause, withdraw your application for a Resource Consent to the Otago Regional Council, let's work together to make a plan that is the best for the whole city, not one that you feel you have been pushed into having to do as you have run out of time with the current landfill.

Safe bike/pedestrian strip joining Ocean View and Westwood on Brighton Road.
(Connection to the Spatial Plan /Transportation Strategy and the Social Wellbeing Strategy)

This is a really popular recreational area and with a small budget it would be achievable to significantly improve the road verge in this area for runners, walkers and those biking. It is a relatively small project but the outcome will be significant.

Coastal Erosion Management
(Connection to the Environmental Development Strategy/ 3 Waters Strategy /Long Term Plan /Financial Strategy / Transportation Strategy / Parks and Recreation Strategy and the Social Wellbeing Strategy)
For more than ten years now we have been asking the Council to develop a management plan for Coastal Erosion for the whole city. We have a number site specific issues needing attention now/immediate future.

In the past 5 years we have seen significant council spending to manage erosion effecting the Transportation network on Taieri Mouth Road, both these sites the Community Board had been advocating for a number of years to do some basic management of them before they got to a stage that significant money was required to manage them.

Other areas we continue to be concerned about are a couple of areas on Taieri Mouth Rd and also the Brighton Domain, Ocean View Foreshore and the Island Park Recreational Reserve for shore.

We are working on a Coastal Dune regeneration programme with DCC, DOC and Paul Pope to rebuild and regrow the foreshore of the Ocean View Recreational Reserve foreshore.

This is a super exciting programme for the Saddle Hill Community Board to be involved with.

In saying all these wonderful ideas and proposals the community are continually telling us to please advocate on their behalf for the basics that is decent footpaths, pothole repairs, grading of gravel roads, sports fields they can enjoy all year round and trimming of vegetation back from the road verges.

Thank you for your consideration

Scott Weatherall
On behalf of the Saddle Hill Community Board
