- Applications must be received in time to be included on the agenda for the meeting at which the application is being considered.
- Applicants may speak to their application in the public forum of the meeting at which the application is being considered
- Priority will be given to applications that can demonstrate a benefit to the wider community

**StarJam: Providing community connections for youth inactive or isolated by disability.**

Dear trustees,

We would like to thank you for this opportunity to apply for funding support to assure the continuity and growth of our programme for young New Zealanders with disabilities to live better lives through regular music-based active recreation, social and performance opportunities.

We provide 77 nationwide workshops in dance, rhythm and singing, currently enabling over 880 disabled tamariki and rangatahi, aged 6-25 years, access to our programme. Each workshop holds 30 sessions annually and comprises of up to 12 Jammers, under the guidance of a paid tutor and 2-3 volunteers. They are fees free in recognition of the financial hardship many families with disabled children face and are open to all who wish to participate, irrespective of their disability.

In the Dunedin region we have 4 workshops with venues found in Dunedin and Mosgiel. These workshops are overseen and managed by our Area Programme Coordinator, Fiona Paine. She is the key point of contact and support for Jammers, their families/whanau and caregivers, and for workshop tutors and volunteers. Fiona recruits and trains the tutors and volunteers, seeks out performance opportunities and oversees all workshop operations.

Within the Mosgiel-Taieri area, we have 1 workshop called the 'Mosgiel Melody Makers', located at Taieri Parents Centre. The Mosgiel Melody Makers directly benefits 12 youth aged 6-25 years, living with disabilities. This workshop is held each Tuesday night at 6:30pm during StarJam Terms.

Our application is for funding of \$2,000 to cover a portion of the overall running costs of our 'Mosgiel Melody Makers' from August-December 2022. This funding will ensure the safe and successful delivery of these workshops, along with performances and community social events and opening opportunities to the wider disabled community through the social events that are run in the area.

The outcomes and benefits of our StarJam programme affects many groups within the community. Jammers experience learning music and physical skills through an approach adapted and catered in the style and pace of their needs. They also feel a sense of acceptance and trust in a non-judgemental environment and experience teamwork, friendship, motivation, empowerment but perhaps most importantly, Jammers feel a connection to their community by being seen as valuable, contributing individuals.

The impact that this can also have on parents, caregivers and whanau is reflected in the feedback we receive. They experience a network of support, respite from the care needs of their disabled child and pride in observing the achievements of their child.

*"StarJam has made the world of difference to Luka. He uses dance moves he has learnt during the session, then goes back to school and shows his classmates - one of the few times he can shine and feel proud of himself. This has truly helped him at school. He has gained social skills such as turn taking, cooperation and not being afraid to be creative. He is no longer afraid to perform in public and we truly appreciate all the*

### Application for Funding from the Mosgiel-Taieri Community Board

Name of group applying for funds: College Park Residents

Contact name: Doug Martin

Contact Phone Number: [REDACTED]

Address: 102 Church St. College Park Mosgiel. 9024

Secretary/Treasurer [REDACTED] Post Code [REDACTED]

Position held: [REDACTED]

Has your group made an application to the Board for funding support within the last five years? Yes ☐ No ☐

**If granted, how much was granted, and what was that money used for?**  
The Chairperson for the *College Park* Residents, an ad hoc group for this purpose only, is Bob Campbell, 99 Church St Mosgiel. Attached please find an artists impression of the proposed *College Park* sign, but note the letters are in italics. Attached please find a 1992 letter from Patterson Pitts which uses the name *College Park* for the then proposed subdivision.

**Short description of present project:**  
The *College Park* subdivision consists of 28 residential houses in two cul de sac's with, Bishop Verdon Close and the Church Rd. cul de sac. It has a different character to the Factory Road end of Church St. which has a mixture of commercial and high density residential properties. The proposed *College Park* sign will make it easier for the residents to direct visitors and the public to the subdivision, currently we either say "we are at the bottom end of Church St" or the "Haggard-Alexander" end of Church St. The proposed *College Park* sign is intended to be partially in front of Bob & Gaynor's property and partially in front of the Burns Centre to the right of the green transformer box, where it can be seen by traffic turning off Park St.

Please attach any additional information which may be useful in explaining the project.

Total cost of project: \$ 1,022 \$

Please attach any quotations for work or products that you may have received.

Amount sought from Mosgiel Taieri Community Board: \$ 715

Amount sought from any other Dunedin City Council source: \$ NIL

How will the rest of the project cost be covered? Resident Contributions  
(Applicants must contribute not less than 30% of the total cost.)

*[Handwritten signature]*

**What is the timeframe for completing the project?** Within the next two months.

**Is the project a one-off /annual/ biennial /other event? If other, please detail:**

One off.

**Detail the benefits to your organisation and/or the wider community which will result from this project:**

Attached is a 1950's aerial photo of Mosgiel, with the then Catholic Diocesan farm at the lower end of Church St., and a copy of a Patterson Pitts letter to Council regarding the proposed College Park subdivision. The College owes its beginning to Bishop Verdon, after whom Bishop Verdon Close is named. The College is now the Burns Centre. Both Bob and I have discussed the proposed sign with residents and advised them that there would be no change to the existing addresses. But residents have the option of adding College Park to their address.; ie 99 Church St., College Park, Mosgiel. 9024. Bob and I have also discussed the proposed sign with retired Catholic Clergy all of whom were supportive of the idea.

**Applicants are encouraged to attend the Community Board meeting to speak to their application and answer any questions the Board may have.  
If you would like to do so, please contact the Governance Support Office  
Dunedin City Council 477 4000. Email: governance.support@dcc.govt.nz

The district is in the Taieri County (Pop.: 8440. Householders: 1360. Area: 940 sq. m.). The town district of Outram (Pop.: 361. Area: 886 acres), 8 miles from Mosgiel, is also in the county. Dear Sir

Re: SCHEME PLAN 848, COLLEGE PARK, MOSGIEL

Please find attached title plan covering Lots 12 - 19 & 34 being Stage 3 of the College Park Subdivision.

The road construction has been completed except for the planting of grass on the berms.

The drainage has not been finally inspected but we know that there is some cosmetic plastering to be done in the manholes and the lampholes require screw tops.

These matters should be completed within ten days and therefore, while we have mentioned a Completion Certification in the panel to enable Council to seal the plan, we are certain that roading and drainage will be taken over by Council before the plan reaches the deposit stage.

"As Built" plans will be supplied as soon as the contract items are completed.

We attach our clients cheque for \$3,116.43 to cover sealing and public services fees and request Council's seal on the plan.

Yours faithfully

**Local Government Members (2022/23) Determination  
2022**

### **Explanatory memorandum**

*This memorandum is not part of the determination, but is intended to indicate its general effect.*

This determination comes into force on 1 July 2022 and expires at the close of 30 June 2023.

#### *Councils and local boards*

Since 2019, when setting remuneration for local government elected members, the Remuneration Authority (the **Authority**) has used a group of size indices that it has put together covering territorial, regional, and unitary authorities and Auckland local boards. The relevant workload and responsibilities of each council are assessed using a number of criteria, and each council is placed within the relevant index. The Authority decides the remuneration of mayors, regional council chairpersons, and Auckland local board members based on this data. The size index is also used to determine a governance remuneration pool for councillors on each council and the minimum allowable remuneration that must be paid to each councillor.

The governance remuneration pool provides the total amount to be fully allocated and paid in remuneration to the councillors. Each council is required to make proposals to the Authority on how its individual pool will be allocated according to that council's priorities and circumstances. Roles to which differential remuneration can be attached, in addition to the minimum allowable remuneration, include internal roles such as deputy mayor, committee chair, or portfolio holder as well as roles representing the council on outside groups. Councils submit their proposals to the Authority for its approval and inclusion in the determination. This is not automatic, and the Authority is able to request further information or make changes to the recommendations it receives.

Because the triennial local government elections are scheduled for later this year, the Authority recently completed a full review of the above framework. All councils were regularly consulted throughout the review process. The Authority found that the current approach is working well and no changes have been made to the framework. In this case, the Authority was interested in the time allocated by elected members to their local government roles. We asked members to participate in a short survey to assess whether the time demands had increased since the last assessment. Unfortunately, the response rate was not sufficient to allow us to make a definitive judgement, although the responses we did receive tended to confirm that our previous assessment was still relatively robust.

The size indices were updated with the most recent publicly available demographic, statistical, and economic data, and the updated size indices will apply for the triennium following the local elections in October 2022.

**Local Government Members (2022/23) Determination  
2022**

**Explanatory  
memorandum**

*Community boards*

Determining community boards' remuneration remains problematic because of the large variations in their number of members, the populations they represent, and their respective roles and powers. The Authority's 2019 review of community board remuneration concluded that, because of those variations, a workable ranking of community boards or a robust and intuitively sensible size index could not be developed. Therefore, the fixing of individual councils' community board members' remuneration over the past 3 years was informed in part by the population of each community board and by their individual current remuneration settings.

The Authority has decided to continue with its existing practice for determining the remuneration of community board members for this determination and during the next triennium. The Authority has communicated its concerns about community boards to the Review into the Future for Local Government, to the Local Government Commission, and to Local Government New Zealand.

*Elected members' remuneration*

*Schedule 1* of this determination sets out the remuneration of elected members for the period beginning on 1 July 2022 and ending on the close of the day on which the official result of the 2022 election is declared for each individual council.

*Schedule 2* of the determination sets out the remuneration for elected members that will come into force on and from the day after the date on which the official result of the 2022 local election of members for an individual council is declared.

At the end of this explanatory memorandum are the governance remuneration pools for each council that will apply on and from 1 July 2022 (table 1) and on and from the day after the date on which an individual council's official result is declared following the 2022 local elections (table 2).

*Allowances*

This determination also makes changes to the level and conditions of some allowances.

The maximum purchase price (*clause 9*) that may be paid for an electric or a hybrid vehicle purchased by a local authority for its mayor or regional council chairperson has been increased to \$68,500 (including goods and services tax and on-road costs). This new rate is based on an assessment of the current motor vehicle market rates and takes into account the vehicle being fit for purpose, the safety of the driver and passengers, and fairness to ratepayers. The Authority recommends that councils use the All of Government procurement process and the Clean Car Discount (rebate) scheme to optimise the value of their purchases.

The vehicle-kilometre allowance rates (*clause 11*) have been adjusted from those shown in the previous determination to reflect the current rates prescribed by the Inland Revenue Department on 27 May 2022 for businesses, self-employed people, and employees.

Explanatory  
memorandum

**Local Government Members (2022/23) Determination  
2022**

The vehicle-kilometre allowance has been aligned with the travel-time allowance to ensure that an elected member, when travelling from a place in which they permanently or temporarily reside that is outside their local authority boundary, may claim the vehicle-kilometre allowance only when travelling on local authority business once they enter the local authority's boundary.

The travel-time allowance (*clause 12*) has been increased from \$37.50 to \$40 for each hour of eligible travel time after the first hour of time travelled in a day. This allowance was last increased in 2016.

The fee paid to a chairperson of a hearing (*clause 15*) has been increased from \$100 to \$116 per hour, and the fee paid to a member of a hearing has been increased from \$80 per hour to \$93 per hour. Hearing fees were last reviewed in 2011.

In their submissions, councils advised that the hearing times (*clause 6*) for formal meetings have become relatively shorter in comparison with the preparation work that councillors are required to undertake. Consequently, the Authority has removed the time constraint placed on preparing for hearings.

In making this determination for the remuneration of elected members of local authorities, local boards, and community boards listed in clause 6 of Schedule 7 of the Local Government Act 2002, the Authority had regard to the mandatory criteria listed in clause 7 of that schedule and the criteria listed in sections 18 and 18A of the Remuneration Authority 1977.

*Governance remuneration pools: table 1*

The table below sets out the local government governance remuneration pools for the councillors of each local authority, which will apply on and after 1 July 2022 until the close of the day on which the official result of the 2022 election in relation to an individual local council is declared. This period is covered by the current (2019/22) size indices.

**Mosgiel Taieri Community Board Chair's Report****August 3rd, 2022**

The end of this triennium is an opportunity to reflect and acknowledge the efforts of many, over the past three years. Despite the challenges of the pandemic, lockdowns and technology, the work of the board has continued.

Board members have advocated on behalf of our Taieri communities, individually and as a Board, as well as submitting to Annual and Ten-Year plans.

We have disseminated information from City Council, attended workshops and contributed a Taieri voice to initiatives such as the changes to the 2GP, the Mosgiel Pool, Safer Schools and Cycle Trails. Through our Community Grants we have supported community initiatives as well as board projects. It is pleasing to see new and improved amenities in our area. Our Community Plan, a living document, has seen some items completed and more added.

Members have helped residents with their inquiries and responded to their concerns. It has been disappointing to see a growing negative engagement on social media, hopefully some of these folk will put themselves forward for election.

In emergency situations, (usually heavy rain events) as Chair, I have been the point of contact for Emergency Management and Council staff. My thanks to Deputy Chair Dean McAlwee for his support in this, and in Board affairs generally, along with his excellent work in the Outram area.

The Taieri Community Emergency Response Group Plan is completed, Outram services included, and further community consultation planned in Outram for late August. Group Coordinator Bruce Didham is doing a great job. Thanks to the DCC staff, who in emergencies, take on extra responsibilities and work tirelessly to offer support and resources to communities most at risk.

To our local Police, who have provided updates, guidance, as able responded to requests for local policing in specific areas of concern, thanks. I greatly value the relationship we have with our local police staff.

Finally, to our DCC staff, thank you for your ongoing support, advice, and hard work, always carried out with courtesy and professionalism.

Joy Davis

Chair
