PART A REPORTS

NAMING OF ONE PRIVATE WAY

Department: Transport

EXECUTIVE SUMMARY

- 1 This report seeks support from the Saddle Hill Community Board on the proposed naming of a private right of way in Green Island.
- 2 The proposed new road names (for the private way) as proposed by the developer are:
 - **‘McKenzie Drive’** as the preferred name, and **‘Bluestone Ridge’** as the alternate name for the subdivision located at 150 Green Island Bush Road, Green Island.

‘McKenzie Drive’ does not comply with the Road Naming Policy however it is the developer’s preferred option and could still be supported by the Committee. The alternate option, **‘Bluestone Ridge’** is compliant with the Road Naming Policy and is supported by staff, however it is not the developers preferred option.

RECOMMENDATIONS

That the Board:

- a) **Supports** the naming of the private way located at 150 Green Island Bush Road as **‘McKenzie Drive’** or **‘Bluestone Ridge’**.

BACKGROUND

- 3 The DCC Road Naming Policy provides the framework for timely and consistent naming of roads that reflect the identity of the local community. For reference, the DCC Road Naming Policy and Procedure can be accessed on the DCC website at www.dunedin.govt.nz/road-naming
- 4 A ‘legal road’ is any road legally vested in the council for the purpose of a road.
- 5 A ‘private way’ is a privately owned driveway, lane, or access way which serves as access from private properties to a public road.
- 6 The subdivision located at 150 Green Island Bush Road Green Island is within the Saddle Hill Community Board area. Support from the Community Board is sought at their meeting of 14 November 2024. The outcome will be communicated to the Committee at the meeting.

DISCUSSION

- 7 The table presented below provides the road name proposed for this subdivision. Additional details including a full assessment for the proposed road name and a map of the new private way are provided in Attachments A, B and C.
- 8 It should be noted that the Road Naming Policy places less weight on the appropriateness criteria with respect to private ways.

Summary of proposed road names

Development details	Location of road	Proposed road name	Alternative road name	Recommended road name
SUB-2023-128 150 Green Island Bush Road, Green Island	Private way off Green Island Bush Road	McKenzie Drive	Bluestone Ridge	<p>‘McKenzie Drive’ does not fully comply with the Road Naming Policy but is the developer’s preferred option</p> <p>‘Bluestone Ridge’ fully complies with the Road Naming Policy but is not the developers’ preferred option</p>

- 9 The developer has proposed **‘McKenzie Drive’** as the preferred option as a potential name for the private way accessed from Green Island Bush Road. As an alternative name, they have proposed **‘Bluestone Ridge’**. It is noted that neither of the proposed names are selected from the road naming register.
- 10 The preferred name **‘McKenzie Drive’** is not compliant with the DCC Road Naming policy as it references the landowner’s last name. This therefore breaches Section 4.5 which states: *‘Road names must not be anagrams, amalgamations or derivatives of people’s names...’*
- 11 Staff requested the developer propose a different naming option, but the developer advised that they wish to proceed with this name. Staff note, that although the preferred option does not fully comply with the policy, the name **‘McKenzie Drive’** is easily identifiable and otherwise appropriate for the area.
- 12 The alternate name **‘Bluestone Ridge’** is compliant with the DCC Road Naming policy and holds geographical significance as it references the olivine basalt stone known as Bluestone that is quarried in the surrounding area.

OPTIONS

Option One – Recommended Option - The Board supports the alternate name proposed as ‘Bluestone Ridge’ for the new private way to be named at 150 Green Island Bush Road.

Advantages

- The roads will be named, and sections of landowners gain a street address allowing them to progress with building and access to services.
- The use of personal names (McKenzie) are avoided.

Disadvantages

- There are no disadvantages identified with this option.

Option Two – Alternative Option – The Board supports the preferred option proposed as ‘McKenzie Drive’

Advantages

- The road will be named and landowners gain a street address allowing them to progress with building and access to services.

Disadvantages

- Approving this option does not deter future developers from using personal names.

Option Three – Status Quo – The Committee does not support either option proposed as ‘McKenzie Drive’ and ‘Bluestone Ridge’

Advantages

- There are no advantages identified with this option.

Disadvantages

- The roads will not have a name until new options are presented. This may inconvenience new or potential new property owners within the subdivision.

NEXT STEPS

13 If the new road names are approved, staff will process the required documentation, and advise the developer and Land Information New Zealand of the new road names.
