rule to come into place. This rule, which comes into effect in June 2022, enables Council's to introduce safe and appropriate speeds for their roads.

Staff are now awaiting to receive the updated maps for Dunedin from Waka Kotahi. The maps are a data base on all things relating to road safety which includes safe and appropriate speeds and will provide guidance for the safe and appropriate speeds for local roads. Once the maps have been received, the process of reviewing the speed limits on our roads and reducing the speed limits on higher risk roads will commence. The communities will have the opportunity to participate in the reviews during this process.
