DISCUSSION

- 8 Collectively the place-based groups have achieved some significant activities and outcomes including; deepening of relationships and connections with community members and a large number of diverse community groups, provision of community pantries, food parcels and/or community meals, safe and comfortable spaces to gather together, use wifi, have a cup of tea and/or exercise, hui to assess community need/vision, community newsletters, community education, community gardens and many volunteer opportunities. COVID support has been consistent across all groups and included supply and delivery of PEP/Rapid Antigen Tests and foodbank/meal support. Some groups have also strengthened governance mechanisms and financial management systems/literacy.
- 9 DCC staff and other groups within the city support place-based community groups with advice and information. COVID has impacted the level of face-to-face engagement with groups since the last Place-based Community Grants Subcommittee meeting in September 2021. There have

been changes within the Community Development Team also, so the past six months has been a time of creating new relationships between staff and groups.

- 10 Since March 2022 bi-monthly meetings have been held between the DCC's Community Development Team and place-based community groups. These provide the opportunity for groups to share information, issues, and opportunities for connected work. Additionally, Community Development staff meet regularly with key members of groups, most often the co-ordinators, or identified governance members.

Requests to Retain Funds

- 11 Two groups (Caversham Community Group and Brockville Improvement and Amenities Society (BIAS) have requested to retain previously allocated funds. BIAS is in the process of a name change to the Brockville Charitable Trust. The group has been impacted by changes in key volunteers, and governance members and delays in establishing the new group formally.
- 12 The Caversham Community Group was impacted by COVID restrictions in achieving its intended goals and activities. Only part of one planned activity was able to be carried through late in the year, when covid guidelines enabled the seniors' lunches to begin again.

Confirmation of multi-year funding

- 13 In 2021/22 the Greater Green Island Community Network and the North East Valley Community Development Project were granted \$62,500 each, with the Subcommittee provisionally approving the same level of funding in 2022/23, pending a satisfactory report outlining the groups' activities. Reports have been received and the Subcommittee will be asked to confirm funding for the 2022/23 year.

OPTIONS

- 14 There are no options as the Grants Subcommittee has the delegation to allocate grant funds and approve retention of previously allocated funds.

NEXT STEPS

- 15 Staff will notify applicants of Grants Subcommittee decisions and administer the funds in line with the DCC Grants Management Policy and processes.
