CBEC CANDIDATE BIOS – ZONE 6

Kristina Goldsmith

My Name is Kristina Goldsmith and I would like to represent the Southern Region on the Community Boards Executive Committee (CBEC). I am a passionate member of the West Harbour Community Board based in Port Chalmers. I have been in this role since 2021 as the result of winning a by-election and was re-elected this year in the general election.

My main driver for being a Community board member was my desire to advocate for Tamariki in our community and my role as school liaison person for the Board has given me this opportunity. This position has allowed me to build relationships with the local schools and Early Childhood facilities and have a greater understanding of their needs. I have also learnt a great deal from my experience in other community board roles, liaising with businesses and groups and advocating on their behalf. I have appreciated getting to grips with the day-to-day running of the board and its relationship with the DCC

My interest in representing the Southern district on the CBEC stems from my desire to better understand the workings of local government and to use this knowledge to inform my board member colleagues of changes and issues arising in local boards across the country.

My excellent communication skills and ability to listen carefully to others points of view and consider issues from their perspective will serve me well in this role. I have no issues speaking up to express my opinions or when advocating for my community when appropriate. I think I am approachable and easy to get along with.

If your Board could consider me as your representative on Te Komiti Whakahaere o ngā Poari Hapori (CBEC) that would be very much appreciated and I thank you for this opportunity.

I am driven and motivated by the opportunities our beautiful area holds and firmly believe with good community consultation and buy-in from Dunedin City Council and Central Government we can achieve a prosperous and sustainable future.

Regan Horrell

Ensuring our community voice is heard has never been more important. New Zealand is considering three major reforms - Local Government, Three Waters (stormwater, drinking water and wastewater) and the Resource Management Act. The potential effects on our communities can not be overstated. I believe it is vital we relay our communities' views to form our communities' unique circumstances. Local Government NZ is championing our local communities' cause to Three Waters reform through several working groups providing a series of suggested improvements to the model.

CBEC candidate bios – Zone 6 // 1

Born in Invercargill and raised in Gore, my local government involvement stretches some 25 years with the 10 local body authorities in Zone 6. I have listened to contrary viewpoints, digested and reported on many issues during my journalism career, including community boards in Dunedin, Central Otago and Southland. Recently elected as a Mosgiel-Taieri Community Board member, grassroots views leverage insightful input in shaping our community's views. Ultimately, these are relayed and presented to Central Government from the Local Government New Zealand's national collective voice. Community boards play a vital role to critical community engagement. In our digital age, I am well versed in the digital tools needed to update our Zone 6 community board members with topical and relevant issues. Many people argue no-one can make a difference. But I strongly believe our communities - through our community boards - offer a powerful and collective community voice that needs to be championed at a national level. I believe we can effectively use the voice of today to help shape the future of our communities. Thank you for your consideration for the role. Yours sincerely, Regan Horrell Zone 6 Candidate

Chris McBride

I am 34 years old and migrated from the United Kingdom in 1995 along with my mother, father, brother, and sister. Dunedin has been our families home ever since. I have lived in the Waikouaiti Coast area on and off for the last 15 years. I currently reside on a farm perched on the side of Mount Cargill and share my life with my partner and two young boys.

I am an operations manager at a local engineering business and have business interests in local manufacturing and recycling. I have been a member of the New Zealand Army Reserve since 2007 and currently serve as a combat driver.

I do not have much time for hobbies, but I do enjoy fishing, boating, and spending time with my family on the farm. I thoroughly enjoy living in this beautiful part of the country and have been fortunate to have had a successful career as a member of three company boards and as a first-time local body community board member I look forward to serving our community this triennium.

I am very humbled to be put forward by my peers to have the chance to represent our community as a Zone 6 representative with LGNZ. I strongly believe I have the skills to grow and nurture new relationships at a national level and with a strong voice from our region, be able to make a difference for our community.

Cheryl Neill

My name is Cheryl Neill. This is my second term as a member of the Otago Peninsula Community Board. I believe I would be a great representative for Zone 6 because I am a great believer and advocate of Community Boards and the importance of having local people have input into the decisions made that affect us.

I am Dunedin born and raised and began my career as a chef before going to Otago University where I gained a Bachelor of Education degree in 2000. I have worked as a primary school teacher for the past 20 years.

I have been a teacher at Portobello School for the past 8 years and live on the beautiful Otago Peninsula with my husband. Prior to this, I taught in both Invercargill and Nightcaps. I am on the Board of Keep Dunedin Beautiful and lead the Enviro programme at school. In 2022 I stood for the local body elections under the Team Dunedin ticket.

I believe in the importance of making decisions that are sensible and reflect the views of our communities while listening to the people and having a positive input into the wider community I hope to represent. I would be very proud to represent the people of Otago and Southland.

Hello Barry

You won't know me, however I thought you might be the man to get in touch with.

The small railway station building at Hindon, while still in sound order, is really in need of a paint.

The company I for work for gives its staff paid voluntary leave for two days a year, to give back to the community, and I thought this could be a goer this year for some of us to repaint the building.

All we would need supplied would be the paint, do you think this is something the DCC would have on ,or would there be too much red tape involved to get the approval for us to repaint it ?

Thank you

Regards

Robin
